Dear Members,

I hope you are all doing well.

The interim board is excited and fully committed to serving the entire membership.

It has come to our attention that a letter is circulating on social media, falsely claiming to terminate the tenure of our esteemed CEO, Dr. Ezekiel Mutua. Please disregard this misinformation, as the author of the letter:

- A. Is merely a member with no locus standi for such role.
- B. Had their tenure lapse on February 16, 2025.
- C. Is subject to restraining orders.
- D. Is currently in court for contempt of court orders and is awaiting further directions.

We will provide updates on this matter in due course.

Let us continue to pray for the MCSK. The individual behind this letter is simply a former board member attempting to exploit the organization even after their tenure has ended.

Kind regards,

Ephantus W. Kamau

National Chairman
